

**REMARKS/ARGUMENTS**

Reconsideration of this application is requested. Claims 1-16 are pending in the application subsequent to entry of this Amendment.

In the Official Action, claims 1, 4, 6-15 and 17 have been allowed and claim 5 objected to as a duplicate of claim 17.

Claims 2, 3 and 6 are rejected as being indefinite for the presence of the word "usually" – these claims have been amended to remove the word "usually".

Claim 17 has been canceled to resolve the rejection directed towards claim 5.

With these amendments it is respectfully submitted that all claims remaining in the application are in condition for allowance. Favorable action is solicited.

When allowing this application the examiner is requested to indicate that the drawings (2 sheets) filed with the original application papers are acceptable (assuming this is the case).

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
